

Your way to Hostel Hannover

Arriving from the central station, take tram 10 direction Ahlem or tram 17 direction Wallensteinstraße in front of the station building. Get off at “Goetheplatz”.

Follow the roundabout anti-clockwise.

Cross Braunstraße, walk past the BBS 6 (a school) and turn right into Lenastraße:

The building you will enter is on the left side, half-way through Lenastraße:

It's house number twelve.

At the door, ring the bell.

From the front building, walk straight ahead through the hallway towards the smaller brick building at the back.

(Don't enter the staircase that comes up on the left side of the hallway.)

Welcome to Hostel Hannover!
